Subject: Re: Anaconda Copper Mine Community Involvement Interview Aug 17 or 18?

Sorry I did not reply quickly..we were on vacation.

Yes I can attend the meeting and I would be happy to meet with you for an interview. I can be available anytime after 3:30 on Wednesday.

Look forward to seeing you and hearing how everything is going.

Have a great day.

Peggy

Hi Peggy!

I hope all is well with you! I'll see you at the public meeting on Tuesday, August 16th! In addition, Sarah and I will be conducting interviews to update the community involvement plan while we are in town. Are you free to speak with us? EPA is looking for input on how to better communicate with the local community about the environmental cleanup program at the Anaconda Copper Mine Site in Yerington, Nevada. Would you be available for an in person meeting or phone call at a convenient time and location anytime between 9 a.m. and 8 p.m. on Wednesday, August 17th or Thursday, August 18th? It will take about 30 to 60 minutes of your time and we will schedule the interview to accommodate your availability. It's nothing you need to prepare for, we just ask you a standard set of questions about what kind of information people would like and the best ways to make it available to them.

We look forward to meeting with you! Here's the list of folks we are going to reach out to for interviews. We want to do somewhere between 10 and 15 interviews. Since you are a leader in the community, I'd love your input on anyone else you think may be interested in speaking with us. We want to get a good cross section of residents, businesses, community organizations, environmental groups, site neighbors, local government officials. I've also attached the questionnaire I'm working on (this is in review right now so it may be revised slightly).

1. Peggy Pauly – YCAG

2. Jim Sanford – MVEC
3. Ginny Hatch OR Laurie Thom – Yerington Paiute Tribe
4. Cynthia Oceguela – Walker River Tribe
5. Jeff Page Lyon County Manager or Dan Newell City Manager
